

Event format

The TCR World Ranking Final will be run across three days with the participation of the first 15 drivers in the KUMHO World Tour final classification and the 45 drivers from the Priority Lists 1, 2 and 3 who qualified through the KUMHO TCR World Ranking.

All entries which have not qualified for the event from the 2023 KUMHO TCR World Tour drivers' standings will participate in the Play-off Races which will take place on Day 2.

The 45 drivers from the KUMHO TCR World Ranking will be split by a draw into three groups of 15: A, B and C.

The draw will take place before the event, with live streaming on the TCR social networks

Day 1

There will be one Free Practice session for the 15 drivers who qualified through the KUMHO TCR World Tour.

There will be Free Practice and Qualifying sessions for the 45 drivers who qualified through the KUMHO TCR World Ranking.

Session	Timing
Group A Free Practice	30 minutes
Group B Free Practice	30 minutes
Group C Free Practice	30 minutes
KUMHO TCR World Tour Free Practice 1	30 minutes
Group A Qualifying	20 minutes
Group B Qualifying	20 minutes
Group C Qualifying	20 minutes

Day 2

There will be two Free Practice sessions and one Qualifying session for the 15 drivers who qualified through the KUMHO TCR World Tour.

There will be three Play-off Races between the groups; each race will be 20 minutes + 1 lap in length.

Two groups will race off against each other in each Race, creating fields of up to 30 cars.

The grid will be set based on the Qualifying times of each group, with the fastest car of the two groups starting from Pole Position, and the next group's quickest driver will start from second position.

The grid will continue to alternate in this pattern, with each group effectively forming a line down each side of the grid.

There will be at least a three-hour turnaround between each race.

If there's a change in weather conditions between Day 1 and Day 2, there will be an additional warm up session of 15 minutes on the morning of Day 1.

Session	Timing
Play-off Race 1 (Group A v Group B)	20 minutes + 1 lap
KUMHO TCR World Tour Free Practice 2	30 minutes
Play-off Race 2 (Group B v Group C)	20 minutes + 1 lap
KUMHO TCR World Tour Free Practice 3	30 minutes
Play-off Race 3 (Group C v Group A)	20 minutes + 1 lap
KUMHO TCR World Tour Qualifying	30 minutes

The top 15 drivers according to the Play-off classification after all the three races according to the following points scale will progress to the Finals.

Position	Qualifying	Race
1	3	25
2	2	21
3	1	18
4		15
5		13
6		11
7		9
8		8
9		7
10		6
11		5
12		4
13		3
14		2
15		1
Fastest lap		1

No points for finishing position will be awarded if the driver is not classified in the race result.

In the case of a dead heat, the following criteria will be used to determine the order:

- 1 - Best race result
 - 2 - Best qualifying result
 - 3 - Fastest lap from the races
-

Day 3

All Final Races will take place on Day 3.

If the weather conditions have changed between Day 2 and Day 3, there will be an additional warm up session of 15 minutes, on the morning of Day 3.

There will be three Races.

There will be a Qualifying Race of 20 minutes + 1 lap.

The grid of the Qualifying Race will be set based on the results of the Qualifying session for the drivers who qualified through the KUMHO TCR World Tour and the results of the three Play-off Races.

The line of the grid with pole position will be formed by the drivers who qualified through the KUMHO TCR World Tour, according to the results of the Qualifying session.

The other line of the grid will be formed by the drivers who qualified through the Play-off Races, according to the points scored in the Play-off classification.

There will be a Repechage Race of 15 minutes + 1 lap for all 30 competitors which were eliminated from the Play-offs. The first four drivers classified in the Race will be admitted to the Final Race.

The grid for the Repechage Race will be based on the points scored in the Play-off classification, with the dead heat criteria used in the case of equal or no points being scored by the drivers.

The Final Race of 30 minutes + 1 lap, with the grid based on the results of the Qualifying Race and the first four drivers classified in the Repechage Race placed in the positions from 31 to 34.

Session	Timing
Qualifying Race	20 minutes + 1 lap
Repechage Race	15 minutes + 1 lap
Final Race	30 minutes + 1 lap

Race numbers

Each driver will be allocated the Race Number corresponding to his/her position in the KUMHO TCR World Ranking in the published ranking on January 10th 2024.

Tyres allocation

- 12 new tyres per each of the 45 drivers who qualified for the Play-offs
 - 14 new tyres allocated per each of the 15 drivers who qualified through the KUMHO TCR World Tour
 - 6 additional tyres per each of the 15 drivers who qualified for the Final races through the Play-offs
 - 2 additional tyres per each of the 30 competitors of the Repechage Race
 - 2 additional tyres per each of the 4 drivers who qualified for the Final races through the Repechage Race
-

Titles

Three Titles will be awarded in the TCR World Ranking Final.

Drivers' Champion - to the winner of the Final Race

Teams' Champion - to the entrant of the Final Race winning car.

Manufacturers' Champion - it will be awarded according to the points scored by the first six cars of each Manufacturer; all other cars of the same Manufacturer will be transparent.

A Podium Ceremony will be held after the Final Race for the first three drivers classified and representatives of the winning Team and Manufacturer.

A Prize Giving Ceremony will be held in the evening of Day 3.

Prize Money

The value of 500,000 € in tyres for the 2024 season will be equally split among the 15 drivers who qualified for the Final through the Play-off Races.
